

ASIA

På vårt vinkart har vi valgt å fokusere på økologiske og biodynamiske produsenter, og vi har markert de som er sertifisert etter EU's merkeordning. Mange av våre produsenter lager vin etter disse prinsippene, men ikke alle har valgt å få en offisiell sertifisering. Vi er derfor stolte over å si at majoriteten av de vinene vi har på vinkartet kommer fra vingårder som har en bærekraftig filosofi og en forkjærlighet for økologiske og biodynamiske produksjonsmetoder.

*Vin på glass og cocktails finner du først
- og helt bakerst har vi samlet alle magnumflaskene.*

*For dessertvin, sake, øl, mineralvann og kaffelte
- bla opp bakfra!*

(Alle viner med alkohol kan inneholde sulfitter)
