

ASIA

*I vårt vinkart har vi valgt å fokusere på **økologiske** og **biodynamiske** produsenter, og har markert de som er sertifisert etter EU's merkeordning.*

Mange av våre produsenter lager vin etter disse prinsippene, men ikke alle har valgt å få en offisiell sertifisering. Vi er derfor stolte over å si at majoriteten av de vinene vi har på vinkartet kommer fra vingårder som har en bærekraftig filosofi og en forkjærlighet for økologiske og biodynamiske produksjonsmetoder.

*Vin på glass og cocktails finner du først - og helt bakerst har vi samlet alle **magnumflaskene**.*

*Dessertvin, sake, øl, mineralvann og kaffelte
- bla opp bakfra!*
